

Wood Cottage

Appeal Update

Since the Wood Cottage property was purchased in 2003, it has become an active centre for Buddhist practice under the guidance of Luangpor Khemadhammo. Wood Cottage is used extensively for personal and group practice, and provides vital accommodation for the lay community who provide for the Forest Hermitage (Wat Pah Santidhamma) on a day-to-day basis. It has proved to be an essential support to the Sangha.

Thanks to the generosity of the lay community we have raised over £275,000 towards the purchase price. *This is a magnificent achievement.* However, there is still a little way to go and we have £150,000 left to raise.

Our target for 2006 is to reduce the mortgage to under £135,000. This means that we must raise £15,000 by the end of the year. Although this looks like a considerable sum of money, if every one of you were able to contribute something then we will be able to reach the target for the year. *Every donation, big or small, will be a great help!* If you would like to contribute then here are some options:

1. **Make a one-off donation.** You can donate online using our secure page (www.woodcottage.org.uk), or you can send a payment by post to Wood Cottage by completing the form on the reverse.
2. **Set up a monthly standing order.** Regular income helps us pay the mortgage and clear the balance. You can download a monthly standing order form from the website (www.woodcottage.org.uk).

Please help us reach the 2006 Wood Cottage Appeal target!

Please complete this form and send it to: The Forest Hermitage, Lower Fulbrook, Warwickshire, CV35 8AS.
